The Lap of Luxury

Award winning Leicestershire health spa, Ragdale Hall, have recently given two of their suites a revamp – contemporary luxury with every detail thought of!

Both split level suites – they have a hall and lounge on the ground floor and then stairs to the bedroom and bathroom – will be completely revamped by the end of the summer, offering exquisite contemporary luxury.

Shades of lime green and silver have been chosen for the scheme for the Shires suite which was finished in late July. Sumptuous sofas and stylish modern furnishings feature along with a completely new bathroom including a feature bath as well as a separate shower - all behind a smoked glass wall.

This suite also has the advantage of a wonderfully quirky terrace with views over the gardens and the lushest of lawns!

With an ipod docking station and radio on both levels, as well as 32" free view TVs and a DVD player, you really will be in the lap of luxury! A mini bar and filter coffee machine completes the offering.

The Wolds suite's scheme is a stunning crimson and mink with similar fittings.

A night or two in one of these beautiful suites would be a perfect treat for any occasion – an anniversary, special birthday or a romantic getaway – in fact coupled with Ragdale Hall's award winning spa facilities, delicious food and indulgent treatments – it could be heaven on earth!

Prices for two nights including treatments, all meals and use of facilities are from £490 per person and for one night from £235 per person.
