

APRIL 2010

PRESS RELEASE

They came, they saw, they stayed!

In the first six months of the year 5 members of staff will have notched up 10 years service and 1 will celebrate an impressive 20 years with the company ... and not one of them intended to stay that long!

Anne Williams (second from left) came to work in the Restaurant back in 1990 as a part-time Waitress joining her daughter who already worked here. She was quickly promoted to Leading Waitress and then in 1994 transferred to the Coffee Bar to become Bar Supervisor. After 19 years in the Restaurant and Bars Anne had a complete change and moved to the Housekeeping Department where she now works as a General Assistant.

Sian Whitby (first right), David Pike (third from right) and Nicola Jakins (centre) all joined the Treatments Department 10 years ago with the intention of staying a short time to get some experience working in one of the country's top Salons! Beauty Supervisor and Duty Manager, Sian joined us as a Beauty Therapist from South Africa. Having never been to England before she wanted to travel around and see the world. She never did go travelling but of course, she has made several trips back home over the years! Massage Therapist, David only planned on staying a few months and 10 years later he commented "where did all the years go?!" Originally from Lincolnshire, Nicola joined Ragdale straight from college, again with the intention of getting some experience as a Beauty Therapist but the Ragdale bug struck again and over the years Nicola has climbed the ladder to become one of our most Senior Beauty Therapists and part-time Supervisor.

John Scoffins (first left) joined the team as a part time Mini Bus Driver after taking early retirement from Pedigree Masterfoods and Robbie Craig (second from right) just wanted a part-time job whilst he attended college. He joined the Staff Kitchen team as a Kitchen Porter working evenings and weekends. 10 years on and Robbie is still with us and now assists with preparing and cooking breakfast, lunch and tea for our staff every day.

In addition a further 12 members of staff will celebrate 5 years service between January and June 2010.
