

By Natural Magic

Exciting new top of the range treatment –

**NEOM Top to Toe Organic Indulgence
by Natural Magic**

Ragdale's senior Treatments Team have worked with natural Magic - best known for their luxury organic treatment candles and home treatment mists, to introduce **NEOM Top to Top Organic Indulgence**, an exclusive treatment only available at Ragdale Hall.

NEOM by Natural Magic is the first luxury organic body care range to use precious sapphires, as one of their key ingredients – it features seven luxurious products used in the treatment.

Indulge in this truly luxurious and totally organic top to toe massage. NEOM luxury organic body products are packed full of essential oils, vitamins, minerals, EFAs and anti oxidants providing serious skin nourishment, plus incredibly precious micronised sapphires known for their powerful calming and harmonising benefits. This deeply nourishing and relaxing signature treatment will be sure to leave your mind and body completely relaxed and your skin, silky smooth and deeply hydrated.

The treatment begins with a lifestyle consultation whilst your therapist exfoliates and bathes the feet in a foot bath filled with beautiful crystals. A full body polish follows to invigorate and smooth the skin before moving onto the main part of the treatment - a luxurious full body massage, combining many key holistic treatments: reflexology, thai and swedish massage, aromatherapy, crystal therapy and relaxation techniques.

This treatment is perfect for massage lovers – and will not only convert you to the incredible benefits of organic body care, but it will take you on a magical journey that you won't forget.

Treatment time: 2 hours, 15 minutes

Cost: £110
