## Exciting treatment launches at Ragdale Hall

As we enter a new decade, Ragdale Hall's innovative Beauty Team launch a selection of new treatments.

### Decleor Madagascan Red Island Ritual - 55 mins £60

Designed to revitalise, smooth and soften the skin, this ritual with a strong sensorial dimension, has been inspired by the rich and resourceful nature of the island of Madagascar.

Exfoliating gestures are performed with natural exfoliants such as fruit seeds, an ingenious combination of fruit powders, spices (such as cinnamon and ginger) and essential and plant oils to leave the body, silky soft.

A cocooning massage technique follows where the hands of the therapist are combined with a unique wooden relaxer and 100% natural aromatherapy balms to expertly relieve tension and knots in muscles and to induce feelings of comfort and relaxation.

A truly Indian Ocean desert island experience! "Invigorating...fantastic aromas!"

### LITYA Yanko - 40 mins £42

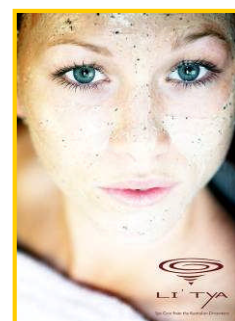

An energising full body exfoliation therapy to cleanse the spirit, revitalise the energy meridians and bring tone and clarity to the skin. Your choice of Australian native aromatic oils are applied to the body and Desert Salts are sprinkled over the skin and massaged to exfoliate and purify. The warm waters of our shower wash away the stresses of the outside world before an application of Cherry Alder Body Lotion to leave skin silky smooth. A sensory experience for the body that leaves the skin invigorated and the spirit revitalised.

### LITYA Yirri - 70 mins £70
