Shopping and Spa... Calling all ladies..... two of our favourite things!

What could be a more perfect thought than spending some quality time Christmas shopping whilst staying at a luxury spa and enjoying all that that entails! Well, this is your chance.... Ragdale Hall, the award winning Leicestershire health spa are putting on a Christmas [Shopping Extravaganza](#) between 24th to 30th October.

Ragdale Hall boasts three shops, a hair studio plus probably the widest range of spa therapies and treatments and the most extensive and most innovative spa facilities anywhere.

Shopaholics will love the Beauty Shop which offers top of the range skincare and makeup brands such as Clarins, Elemis, Decleor, Leighton Denny and Dior – perfect for stocking up on gorgeous skincare gift sets, make up and fragrance.

For the fashion conscious, the Ragdale Boutique offers this season's key trends in fashion, accessories, footwear, jewellery and lingerie.... a feast to be enjoyed at a leisurely pace, rarely found in the hustle and bustle of the High Street.

Lastly the Gift Shop... an Aladdin's Cave of homeware, kiddies gifts and jewellery.

"In short, you can do all your Christmas shopping under one roof whilst enjoying some blissful me-time too."

You may book during this week as a day guest or stay overnight on one of the packages which include your accommodation, all meals, use of the facilities and a number of inclusive treatments.
