## Sunday Times Travel Magazine Readers' Awards 2011

Ragdale Hall has been voted runner up for 2011 in the Favourite UK Spa category.

Having won this award in 2010 and previously been a runner up in 2008 this shows amazing consistency given the competitive nature of the spa industry currently in this country.

Despite being knocked off the top spot, the magazine said "there is still plenty of enthusiasm for Ragdale Hall".

Our sincere thanks go out to those who kindly voted for us.....and there's always 2012 for us to regain our crown.
