

PRESS RELEASE
MARCH 2011

Enjoy a chocolate (and guilt) free Easter Break at Ragdale Hall

With us now seeing the first glimpses of spring, it is time to start making plans for Easter. So put the spring back in your step and enjoy an invigorating break at Leicestershire spa, Ragdale Hall, recently voted Favourite UK Spa by readers of Sunday Times Travel magazine.

Spring is the season of rebirth and renewed energy, so cleanse from within with our gentle approach to detox (which firmly avoids Easter chocs!). Eat well, exercise, be pampered and relax with loved ones.....the perfect Easter Break!

Your fresh start begins here:
