Ragdale Hall start 2008 in winning ways

At the Heart 106 Lifestyle Awards 2008, Leicestershire health spa, Ragdale Hall picked up two awards!

Health Spa of the Year AND The Heart 106 Award for Excellence

Listener voting initially happened on Heart's website last October where Ragdale emerged as finalists in the Health Spa category along with respected rivals Eden Hall and Center Parcs.

A period of mystery shopper visits by nominated Heart listeners then followed culminating with reports being assessed by a panel of expert leisure and service industry judges lead by diet and fitness guru Rosemary Conley.

Ragdale Hall's co-owner Michael Isaacs was thrilled to accept the Health Spa of the Year award but was then

overwhelmed to win another.....the Heart Award for Excellence for the most outstanding winner across all the categories on the night!!

Heart 106 launched the awards to celebrate their listeners' favourite choices in a number of lifestyle categories. When asked why Ragdale had won two awards, one of the judges commented "They not only offered a great service but the whole spa was such an amazing experience for the mystery shoppers. They were incredibly impressed."

Michael commented "We have won a number of awards in the past few years but none means as much as being recognised amongst such eminent service orientated businesses as John Lewis and Marriott Hotels, as being the best. This is an award for the Ragdale Team for going above and beyond the call of duty in the customer care stakes".
