### HIGHLIGHTS OF THE WEEK

#### SELF REFLEXOLOGY

Monday 14<sup>th</sup> July | 2.00pm | Heart studio | £15

Summer is the peak of our energy. Everything we planted and manifested back in spring has come to fruition and our souls are dancing in the longer lighter days. Our souls are alight and our confidence is riding high.

Sam will guide you through a meditation, settling you into the workshop before we explore reflexology points in the face, empowering you to put wellbeing and self care in your hands.

#### LIVING IN TUNE WITH THE SEASONS

Thursday 17<sup>th</sup> July | 10.30am | Main Lounge | £15

Join Jenifer for a stroll around the stunning grounds as she shares insights on how to align with nature's rhythms during this vibrant season. She will guide us through simple rituals that honour the power of summer and encourage us to appreciate the beauty surrounding us.

After our walk, we'll come together for a refreshing fruit mocktail in the lounge as we reflect on the goals we've accomplished and what lies ahead for us.

Using our journals, we'll take a moment to acknowledge our achievements and set intentions for the future. We'll delve into how the energy of summer energises our spirits, infusing us with the vitality needed to thrive during this season
