HIGHLIGHTS OF THE WEEK

SUN WALKS MEDITATION AND SHARING STORIES

Thursday 7th August | 10.30am | Outdoors | £15

The sun's warmth creates a comforting atmosphere that encourages openness and connection. Join us for a warm and welcoming "Sun Walk," where Jenifer will share insights on the transformative Age of Aquarius and how it can inspire personal growth.

We'll enjoy a peaceful meditation and create nature-inspired mandalas with leaves, petals, and stones, celebrating connection, manifestation, and storytelling in a sacred circle. Let's walk, create, and transform together.

TREATMENTS

FRANGIPANI FLOTATION

55-MINUTES | £90

Immerse yourself in luxury with this exotic ritual designed to invigorate and revitalise your body. Warm oil is sparingly dripped over your skin, followed by the Frangipani Salt Glow to cleanse and polish, and your skin is drenched in moisture. You are then cocooned in dry flotation, giving your body a sense of weightlessness while you enjoy a soothing face and scalp massage. A final application of Frangipani Body Cream is applied, leaving the skin glowing, vibrant, replenished and flawless looking.

HOPI HEAVEN

60-MINUTES | £98

Designed by our experienced male holistic practitioner combining the therapeutic benefits of Hopi ear candles with hot and cold stones and facial trigger point massage. Firstly, Hopi ear candles are used to help the decongestion and discomfort of compacted ear wax and blocked sinuses.

To further enhance the treatment, hot and cold stones are massaged over the neck, shoulders, face and scalp to boost circulation and improve detoxification. To complete the treatment, you will receive a soothing massage, incorporating facial trigger points, to ease sinus congestion and leave you feeling relaxed and able to breathe more easily
