HIGHLIGHTS OF THE WEEK

TREE OF LIFE GUIDED MEDITATION

Thursday 18th September | 3.00pm | Soul Studio | £15

Join Jenifer for an immersive sound meditation session that blends the uplifting tones of a mini hand drum with guided reflections on personal renewal and growth. Each session invites you to connect deeply with the world around you and explore its significance through soothing melodies.

As we welcome the energy of spring, we'll concentrate on emerging from winter's slumber and awakening our senses. We will connect with the rising sun and harness the vibrant energy of spring to recharge our bodies and minds.

JUGGLING

Thursday 18th September | 11.45am | Heart Studio

In today's wellbeing arena we are often encouraged to pursue 'mind-body' exercise and clearly juggling satisfies all the criteria being a combination of mental and physical activity. Tapping into an innate and often forgotten quality known as physical intelligence, it can serve to relieve stress, promote balance, agility and co-ordination in addition to enhancing your creativity and problem-solving skills.
