In a more personalized setting than our group classes, You will be closely guided to deepening your understanding of specific wellbeing practices that you can take home with you.

Discover Yoga

If you've always wanted to try yoga but been put off, for whatever reason, this slow and subtle practice is the perfect introduction to begin your journey at your pace, on your terms.

Pilates Reformer Taster

An introduction to this popular equipment-based practice that improves strength, mobility, and posture through a range of dynamic but controlled movements.

Stretch Therapy

This gentle, partner session focuses on deep muscle stretching and relaxation techniques to reset, restore and refresh both your body and mind.

Muscle Release

Applying gentle pressure to targeted trigger points to reduce pain and increase your range of motion, keeping you on the move for life.

Tai Chi to Relax

This is of great value in both preventing and treating a number of health conditions, hence it's not just referred to as meditation in motion, but also medication in motion.

Dragon Fan

Immerse yourself in this in this uniquely relaxing session based on ancient combat weapon techniques, now transposed into graceful, fluid movement patterns.

Cold Water Therapy

Cold exposure combined with breathing techniques and guided mediation can help you to learn to control your nervous, immune and cardiovascular systems, helping to reduce stress, improve circulation and even boost your libido.

Sound Bathing

Embedded within many ancient cultures, using singing bowls, gongs, percussion, chimes and even the human voice to create a deep state of both physical and mental relaxation.

Cold Water Therapy please meet at the outdoor pool, all other sessions meet in the fitness welcome area.

Spaces are limited, please inform us if you book but then decide not to attend or you may still be liable for the fee..
