Discover Yoga

If you've always wanted to try yoga but been put off, for whatever reason, this slow and subtle practice is the perfect introduction to begin your journey at your pace, on your terms.

Pilates Reformer Taster

An introduction to this popular equipment-based practice that improves strength, mobility, and posture through a range of dynamic but controlled movements.

Muscle Release

Applying gentle pressure to targeted trigger points to reduce pain and increase your range of motion, keeping you on the move for life.

Tai Chi / Dragon Fan

We offer both a traditional form of this gentle, health boosting practice and also a uniquely relaxing version based on ancient combat weapon techniques, but transposed into graceful, fluid movement patterns. Let our in-house master lead you into the realms of meditation in motion.

Yoga for sleep

Wind down your day with this soothing Yoga Nidra practice that connects you with your body, instilling a sense of internal peace and leaving you feeling relaxed and ready to transition into sleep.

Cold Water Therapy (please meet at the outdoor pool)

Cold exposure combined with breathing techniques and guided mediation can help you to learn to control your nervous, immune and cardiovascular systems, helping to reduce stress, improve circulation and even boost your libido.

Sound Bathing

Embedded within many ancient cultures, using singing bowls, gongs, percussion, chimes and even the human voice to create a deep state of both physical and mental relaxation.

Spaces are limited, please inform us if you book but then decide not to attend or you may still be liable for the fee.
