TREATMENTS

MICRONEEDLING - 40 MINS - £98. **NEW**

Microneedling is a non-invasive rejuvenation treatment which harnesses your skin's natural ability to repair itself. Using very tiny needles to puncture the surface of the skin, it stimulates a healing response, causing your skin to kickstart its collagen and elastin production. Microneedling is commonly used to improve the appearance of various skin concerns, including fine lines, wrinkles, acne scars, enlarged pores, and uneven skin texture.

HAY FEVER HEAVEN- 25 MINS - £43

Using Breaze oil and introducing cold stones, an acupressure massage will help to eliminate toxins, release pressure, ease sinus pain and instantly refresh allowing you to breathe more easily. A cooling eye mask will then be applied with an application of Breaze balm to your nose and temples, creating a natural barrier towards powered pollens and irritants.
