TREATMENTS

MICRONEEDLING - £108

Microneedling is a non-invasive rejuvenation treatment which harnesses your skin's natural ability to repair itself. Using very tiny needles to puncture the surface of the skin, it stimulates a healing response, causing your skin to kick start its collagen and elastin production. Microneedling is commonly used to improve the appearance of various skin concerns, including fine lines, wrinkles, acne scars, enlarged pores, and uneven skin texture.

HIGHLIGHTS OF THE WEEK

SIUMMER SOLSTICE

Thursday 19th June - 3.00pm - Soul Studio - £15

As summer arrives, it's the perfect time to pause and celebrate our journey so far. After the long winter months and the return of spring, we've witnessed the vibrant colours of the garden flourishing. These bursts of life remind us that what we've wished for is slowly taking shape in our own lives.

Guided by Jenifer, you'll select an oracle card that offers insight, then settle into a peaceful meditation, led by the rhythm of the drum. The gentle beat will create a space for relaxation, allowing you to release tension and reflect. This sacred time together is a celebration of all that we've experienced, with an invitation to receive the wisdom that will guide us through the months ahead.

As a final gesture, we'll gift each participant a tea light to take home, a small but powerful reminder of the sun's light and your deep connection to the magic of Ragdale Hall Spa.

Conclude the session and indulge in a complimentary fruit mocktail while relaxing in the beautiful gardens.

For more information and how to book your sessions, call 01664 433 043 or ext. 525.

We've been nominated in the
Condé Nast Traveller Readers' Choice
Awards 2025
under the category for
'Destination Spa'
